Division III - State Council of the Year (2015 – 2016)

*Serving the Chancery and St. James Cathedral*

Date: May 1st, 2017 Issue: May Newsletter

## Grand Knight's Report

*Everything comes from love, all is ordained  
for the salvation of man, God does nothing  
without this goal in mind.*

*Saint Catherine of Siena*

**Brother Knights,**

As we move forward let us strive to always keep in mind the four virtues of our Order – CHARITY, UNITY, FRATERNITY, & PATRIOTISM and to live our lives by making those a part of our daily lives.

A special congratulations to our newest Brothers who attained full Knighthood in the 3<sup>rd</sup> degree, Brothers Patrick Alessandri & David D'Amato. Reaching full Knighthood should be the goal of all of our members and we have several opportunities coming up to do so as highlighted in our Upcoming Events.

I am very pleased to report that as of this date we are 1 of 4 councils in the State of Florida that have met all of the requirements of STAR Council for this fraternal year. There will be others to follow, but we have already met the requirements. I thank each and every one of you for helping to make that happen. I now challenge you to help us meet the DOUBLE STAR Council objectives which means bringing in 4 new members by 30 Jun 2017.

Thanks to Brothers Les Castro, Thomas Jensen, and Raul Rodriguez for participating in the Habitat for Humanity event of April 1<sup>st</sup>. It is such a thrill to be part of this as we help to build homes for those in need, many whom are disabled veterans returning from the Middle East. I would like to see more Brothers out there in the future as this touches all of our Order virtues.

The numbers are still rolling up on Laps for Life and we currently have raised enough money to buy 4 ultrasound machines and it is quite possible that St. James Council will again be asked to sponsor one of those ultrasound machines at a local pregnancy center. This is quite an honor and it is because of our council's tremendous involvement. We had close to 30 Brothers and family members participate at Bishop Moore HS in some capacity and through council donations and fund raising we contributed \$4390. Nine participants from St. James Cathedral were recognized with ribbons for the number of laps they walked. Of special note was the 51 laps (12.75 miles) walked by Pauline Brennan. DGK Patrick Schmidt walked 33 laps and SOAR lead, Nancy Webb, walked 24.

We have several key activities coming up that need your help. The JMJ Pregnancy Center Baby Bottle Campaign the weekend of Mother's Day, the annual council planning meeting, and our 2<sup>nd</sup> Tootsie Roll Drive at the Southside Publix. Also, we will be conducting our annual officer elections at the May 11<sup>th</sup> business meeting that you may want to be part of. Even though I will not be running for a 3<sup>rd</sup> term I have lots of ideas as to the

## Congratulations

**Knight of the Month - Apr**

**Raul Rodriguez**

Brother Raul participated in the 1<sup>st</sup> fish fry on Friday, Habitat for Humanity on Saturday, and Fed the Homeless on Monday – all over 72 hours. Brother Raul joined our council in Sep 2016 as a 1<sup>st</sup> degree and made his 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> degrees by Nov 2016. Congrats on this well deserved award.

**Family of the Month - Apr**

**Mark Zeitler & Family**

Brother Mark and family have been engaged in a number of activities over the past month starting with the St. Patrick's Day Dinner, Laps for Life, and our 1<sup>st</sup> fish fry. Brother Mark & Liz participated in Cursillo and Mark did a stellar job as the lead for That Man Is You. All are also very active at St. James School. Thanks to the Zeitler family for the tremendous example that they are setting and congrats on this well deserved award.

*direction I would like to see the council go. The annual planning meeting is the perfect opportunity to share your thoughts on what you would like to see done differently moving forward.*

*Finally, as my tenure as Grand Knight comes to an end I have taken on a new challenge, bringing Catholic Radio to Central Florida. I am now 1 of 4 board members, along with Brother Paul Mylod, striving to make this happen and we are very close to closing a deal on a radio station. I will keep you up-to-date moving forward because I believe that this is a big step towards bringing Catholics back to the faith and growing our membership. We have the blessing of Bishop Noonan and Fr. Miguel Gonzalez and large donations are starting to come in. As of this moment, there are zero Catholic Radio stations in the Orlando Metro area and we aim to fix that.*

*May the Good Lord continue to bless you and your families on your post-Lenten journey. As we face life's challenges let us accept the fact that these challenges are ordained by God and that we have the faith to believe that God would never lead us to the brink of a difficult situation and then abandon us. His intervention may not be according to our schedule, but he always acts and it is our duty to stand still and trust Him to see us through to victory.*

*Fraternally Yours,  
George Olson*

## Chaplain Message

*My Brother Knights and esteemed Ladies,  
Happy Easter to you and yours!*

*I want to begin this message on a note of gratitude. We had such a busy Lent with the St. Patrick's Day Dinner, the Lap for Life, the Fish Fry, and so many social initiatives of which the Council has been a part. Thank you for your continued dedication and the amazing work you have been doing for our parish and beyond. In particular, I am grateful to Sir Grand Knight George Olson and his officers for their wonderful leadership. I was very pleased to read the report of what we were able to achieve.*

*So, Lent is over. What's next?*

*As the work of evangelization is ongoing, so is our call to be witnesses. I pray that, in the midst of the day-to-day living, what you and I do and how you interact with others continue becoming a source of Christian witness of Gospel charity.*

*As food for thought, I want to quote some beautiful words from our Holy Father Francis who calls us to a revolution – a Revolution of Tenderness, "Tenderness means to use our eyes to see the other, our ears to hear the other, to listen to the children, the poor, those who are afraid of the future. To listen also to the silent cry of the common home, of our sick and polluted earth. Tenderness means to use our hands and our heart to comfort the other, to take care of those in need."*

*May the Peace of Christ, the Risen Lord be with you always!  
Fr. Martin H.M. Nguyen*

# Field Agent Update

## A Founding Notion: Protecting the Breadwinner's Income

While jobs may be safer in 2017, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related?

The Knights have always sought to protect members' families from the "loss" of a breadwinner. I'm sure you know all about Father McGivney's vision for our insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn't work because of an illness. After all, the "loss" of the breadwinner does not have to mean that person's death; it can also mean the loss of the breadwinner's income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

I've heard some people say they have coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That's where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness. If you have a job, you must know about this coverage.

## Special Subjects

### **Baby Bottle Campaign** – Sat, May 13<sup>th</sup> & Sun, May 14<sup>th</sup>

We will need Brother Knights and family members to help hand out baby bottles after each mass this weekend as we strive to collect money for the JMJ Pregnancy Center. Bottles will need to be returned to the church office by Sun, Jun 18<sup>th</sup>. Last year we collected just shy of \$5200.

### **Planning Meeting** – Sat, May 20<sup>th</sup>

One of the most important council meetings of the year as we get inputs on activities to pursue over the upcoming fraternal year. This meeting also helps to set the budget for the 2017 – 2018 fraternal year. If you have an activity or charity that you want taken into consideration this is the time to speak up.

### **Citizens with Disabilities Campaign** – Sat, Jun 3<sup>rd</sup> & Sun, Jun 4<sup>th</sup>

This is our largest tootsie roll fund raiser of the year as we hand out tootsie rolls in front of the Southside Publix, a rather large Publix store. We typically bring in over \$1150 over a 16 hour period of time, but help is desperately needed. Please sign-up via the Volunteer Spot website or at the next business meeting.

Dear Knights of Columbus,

Your donation is a blessing to the Russell Home! Our family, staff and residents would like to thank you for your gift of \$150.00, check number 5808 and \$100.00, check number 2698 from your annual "Citizens with Disabilities Fundraiser."

The Russell Home could not help the families in our community if we did not have supporters like you! Your support and prayers have allowed us to continue our Grandmother's mission and for this, we are very thankful.

Spring is in the air and our household is excited. We hope everyone had a very Happy Easter!

We wish for you a sunny Spring!

P.O. Box 2227  
Orlando, FL 32802

Dear Mr. Olson:

On behalf of our Board of Directors, Volunteers, Staff, and the hundreds we serve each year I write to thank you for your kindness and thoughtfulness with your recent gift of \$101 through the Knights of Columbus Council #12402. Your continued support is deeply appreciated.

1 in 26 people will receive a diagnosis of epilepsy during their lifetime and more will die from it than breast cancer this year. Epilepsy can happen to anyone, at any age and at any time. It can change a person's life not just medically but with serious social consequences such as loss of one's driving privileges for a while and one's independence, loss of a job, family financial stress, broken homes, a 38% higher chance of dropping out of school, and even a 32% higher risk of suicide. This is why your gift means so much to us.

We are very proud to share that our 2016 audit shows that 92% of the funds entrusted to us go directly to program services such as diagnostics (MRIs and EEGs), laboratory testing, neurologists care, medications, patient social crisis support, scholarships, and research grants. We are also happy to share that we have again, in 2016, been chosen by the nation's two top non-profit research organizations, GuideStar® and Charity Navigator®, to receive their highest awards, the "Gold Seal" and "Top Non-Profit®".

Again, thank you so much. This letter will also serve as acknowledgement for the IRS of your gift.

Sincerely,

Charles "Chuck" Carmen, Executive Director

Dear Mr. Olson,

The Habitat for Humanity of Greater Orlando family is comprised of volunteers and supporters like you who provide the opportunity of homeownership to families right here in our community. Your generous gift of \$150.00 allows our homeowners to create a better future for themselves and for their family.

When reflecting on favorite memories in your home, it could take you to a time when you and your family looked through photo albums together laughing on the living room floor. Remember the countless times you have gathered around the dining room table for family meals? Our future homeowners look forward to making similar memories with their family in a place that they can finally call their own. We have been able to impact the lives of over 295 families since 1986 and the memories that have been created in these homes are simply immeasurable.

It certainly takes hands to build a house, but only hearts can build a home. Thank you for finding a place in your heart for our mission of providing strength, stability, and self-reliance through shelter for our homeowners while making our community a better place to live.

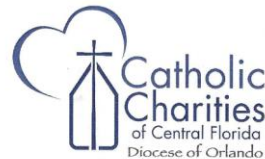

Sincerely,
